BOXING DAY DIP

Most volleyballers love the outdoor beach version of the game, with it's blue skies, clear sand and warm sunshine. On Boxing Day 2011 we had the blue skies and clear sand but the tropical temperatures were definitely missing as the club started a major fundraising effort for our 30th Anniversary Year celebrations.

Eleven hardy individuals, including Hannah and Ben from the junior squad, faced bracing temperatures to play a quick game of volleyball before taking an even quicker dip in the North Sea. You can tell by the "before" and "after" photographs that the sea temperature left a lot to be desired.

All monies raised from this sponsored event will go towards funding the 30th Anniversary celebrations mentioned elsewhere in this newsletter.

30TH ANNIVERSARY

2012 is our 30th Anniversary Year and we plan a major event on Friday 8th June at Saltburn Golf Club.

A special Gala Dinner and Awards Evening will bring together players past and present to celebrate some of the achievements of the club since it's humble beginnings in May 1982.

All club members, volunteers and their immediate families will be welcome to the two course dinner,

awards evening and disco. Our aim is to ensure that the tickets for the event will cost no more than £10 per person but with more successful fundraising the club may be able to subsidise the cost to make them even cheaper. So please support our fundraising which will ensure that the money you pay for monthly subscriptions can be used to fund this special night of celebration.

FUNDRAISING BAG PACK

The Co-op superstore in Marske have agreed to help our 30th Anniversary fundraising year by allowing us to undertake a “bag pack” in their Marske store on Saturday 17 March.

This will be one of our biggest fundraisers and we hope that as many people as possible will help on the day.

Between the hours of 10 AM and 4 PM we will require four juniors and two adults every hour

to help customers pack their shopping in return for donations. We do not expect any junior to undertake more than an hour but we hope that adult members will be able to supervise the collection for a two hour period.

We will be putting a rota together in February, so if you are able to help at all please let one of the coaches know as soon as possible so that we can start to put names in the rota.

CLOTHING COLLECTION

Our final fund raising activity involves collecting unwanted clothing. Instead of filling the plastic bags that constantly appear through your letterbox collect any unwanted clothing and pass full bags to the club. We can raise £200 for every 50 bags.

So if you have a spring clean and decide to update your wardrobe please consider passing them to the club to raise money.
